UNDER TABLE SOCCER

A thrilling one-on-one under-the-table soccer game, where quick reflexes and strategic moves are the key to victory in this miniature, fast-paced showdown! In one-on-one under-the-table soccer game, two players face off in a miniaturized version of soccer, often played on a small table with a miniature pitch. The goal is simple: score more goals than your opponent.

MALL ACTIVATIONS

We deliver creative live retail events, experiential activations that engage and inspire. Working with the South Africa's top retail and leisure destinations we are directly involved in conversations about mall marketing and offer an unrivalled level of event expertise in this niche.

Our live events offer consumers unique and relevant experiences that are authentic and personal. They are memorable activations designed to transform consumers by opening them up to new possibilities and connecting them to the physical retail space in a way that promotes brand loyalty.
