ARCADE MACHINE RENTAL

We provide arcade machine hire to ensure your event is always packed with fun. Relive the excitement of iconic games like Pac-Man, Space Invaders, and Donkey Kong, all brought to life on State-of-the-art arcade machines. Preserve the charm of the past while delivering cutting-edge performance with our arcade machines. We'll load up all your timeless favourites; you just need to plug in and play! Each unit is loaded with over 2000 games and has a 32" TV allowing for 2 players to play simultaneously.

PRICING

Arcade Machines

R1500 single
R2750 double
R3500 triple
R4000 quad

Each unit can be custom branded, we'll send you dimensions and you send us your artwork, we'll do the rest! (R550 extra per unit)

REACTION LIGHT GAME BATAK

A fast-paced 60-second reaction game where players press randomly illuminated buttons to score points. The game features 12 light-up buttons that activate at varying speeds and patterns, testing players' reflexes and concentration.

PRICING Batak R5500

STEADY HAND CHALLENGE

Objective: Guide the metal wand from START to FINISH through the maze without touching! A skill-based game where players guide a metal wand through a complex metal maze without making contact, using light and sound feedback to indicate errors. Looks easy but it's not and can be quite challenging.

PRICING STEADY HAND R4950

We have a variety of arcade machines available, please enquire on availability.

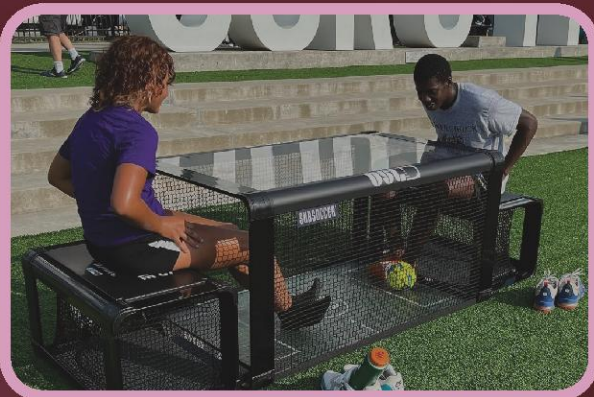

- Fussball tables.
- Pin ball machines.
- Basket ball.
- Boxing machines.
- Table Tennis
- Pool tables.

UNDER TABLE SOCCER

A thrilling one-on-one under-the-table soccer game, where quick reflexes and strategic moves are the key to victory in this miniature, fast-paced showdown! In one-on-one under-the-table soccer game, two players face off in a miniaturized version of soccer, often played on a small table with a miniature pitch. The goal is simple: score more goals than your opponent.

PRICING Under Table Soccer R3950

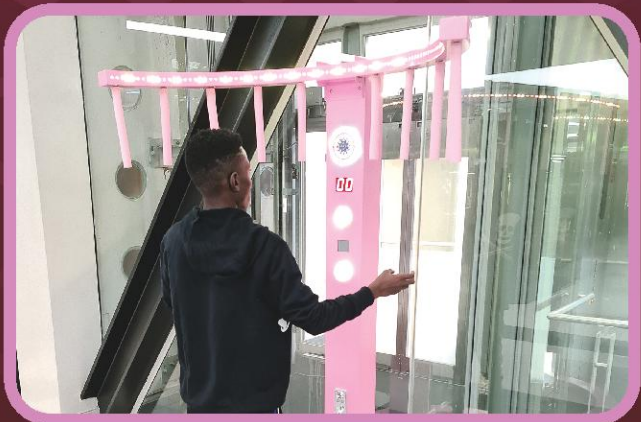

STICK CATCH REACTION GAME

Keep your guests entertained for hours! With this game players stand in the large ring and wait for the sticks to randomly fall, catch as many as you can! Seems easy but it's not, your reflexes and reactions will be tested to the max! LED lights and music built in.
